

HAWTHORN ADDS NEW CODING MANAGER TO MANAGEMENT TEAM

ST. LOUIS, MO – Hawthorn Physician Services is pleased to announce the addition of Elizabeth (Beth) Potratz as its new Manager of Coding.

Beth holds both a CPC and a CCS-P coding designation and she comes to Hawthorn with over 18 years of experience in Revenue Cycle Management and Coding.

Beth's most recent position, prior to Hawthorn, was at the Cancer Treatment Center in the St. Louis Metropolitan area, where she worked as a Medical Coder for radiation consultations, and PET/CT scans. Beth has also worked for Washington University School of Medicine as a coder in emergency medicine and has prior revenue cycle management experience with enterprises in Fairfax, VA.

Beth comes to Hawthorn with a strong comprehension of ICD-10 education and implementation processes along with HIPAA and PHI compliance.

Beth is active with the area Chapter of the American Academy of Professional Coders (AAPC) as well as with the American Health Information Management Association (AHIMA).

In her spare time, Beth is an Adjunct Instructor at Sullivan University where she teaches a global, e-learning medical coding certificate program. Beth holds an Associates of Sciences Degree from Belleville Area College and is currently pursuing a Bachelor Degree from Sullivan University.

We know you will find Beth to be a great coding resource and we are excited to have her join our team. You can contact Beth directly at 314-238-5280 or by email at bpotratz@hawthorngrp.com.
